Over 40 years ago, Harris Newman started his business by purchasing surplus from the world's fair. Now, 3 generations later and 20 employees, this Richmond Hill gem is still alive and kickin. And, all 3 generations are still there. 12 hr days, 6am-6pm, and they love it! The service and attention you receive at Primary is like none other. Customer service always with a genuine, deep, family SMILE. Harris is in FL for the winter and counting the days until he can get back to work! [less](#)
